

# PROJECT PROPOSAL

2022

## PART A - GENERAL INFORMATION

Project title:	
Institution:	
Project Leader (include title):	
Postal Address:	
Email Address:	Contact Number:
Other project members / Co-workers	Institution
Desired Starting Date:	Desired Completion Date:

## PART B – DESCRIPTION OF THE PROPOSED PROJECT *(maximum 5 pages, 10pt Arial, 1.5 spacing)*

<ol style="list-style-type: none"><li>1. Motivation</li><li>2. Literature Review</li><li>3. Objectives</li><li>4. Methodology / Design (Please be very detailed when describing your experimental design. Define treatments, number of repetitions, describe sites that will be used and indicate how data will be analysed statistically).</li><li>5. Mode of co-operation between project members</li><li>6. Anticipated outcomes and outputs</li><li>7. Scientific and technological capacity</li><li>9. Potential industry and/or innovation spin-offs (how will this help a farmer increase yields, reduce losses, be more sustainable etc and add a monetary value to this)</li><li>10. Possible limitations</li><li>11. Breakdown of Budget</li><li>12. References used in compiling the proposal</li><li>13. Please list macadamia growers (with contact information) who collaborate on this project</li></ol>
