

Registration under the Statutory Levy for macadamias Macadamias South Africa NPC (SAMAC) registration

The second term of statutory measures relating to macadamia nuts (Government Gazette 41970) came into effect on 15 November 2018. It requires that all Growers, Nurseries, Processors, Consolidators of nut in shell, Exporters and Importers register with SAMAC NPC. This registration is for the purpose of gathering good industry information which will benefit the industry e.g. crop estimates and tree census information. It will also form part of the process of collecting the statutory levy of 68 c/kg nut in shell (1.5% kernel moisture). The statutory measures require handlers (processors and consolidators of nut in shell) and importers of inshell macadamias to deduct and pay over the levy on behalf of all growers. Please note that the levy of 68 c/kg excludes VAT, and that VAT must be charged on levies.

Please complete the registration form in full and submit the completed form to Jurita van Zyl at jurita@samac.org.za.
